Washtenaw County Takes Voter Registration Services on the Road

**Tuesday Sep. 17th 1pm - 5pm @ the Shadford Field
Parking Lot (1701 W. Cross St, Ypsilanti MI)**

Partnering with the League of Women Voters of Washtenaw County (LWV) and Ypsilanti Community Schools (YCS), the County Elections Office is utilizing the county's new mobile vehicle to bring voter registration to the east side of the county.

The Mobile Support Service Initiative (MSSI), is an initiative designed to **bring services directly to rural and under-resourced communities**, by retrofitting a recreational vehicle to act as a community resource center on wheels.

Information to allow eligible voters to **register to vote** in the upcoming November General Election, as well as information on other county services such as the Washtenaw County ID Card and Federal Passports will be available on-site.
